

Dual Language Immersion Parent Meetings for 2020-21 School Year

The Corona-Norco Unified School District is proud to offer the Dual Language Immersion program at six elementary schools, two intermediate, and two high schools. This program affords students the opportunity to learn Spanish and English or Mandarin and English in a proficient manner. Students who participate in the Dual Language Immersion program from TK through 12th grade become biliterate, and develop an appreciation for multiculturalism. The Spanish program reflects the 90:10 model where the instructional day consists of 90% Spanish and 10% English in Kindergarten, increasing to 50% English and 50% Spanish by fourth grade. At the secondary level, instruction consists of approximately 30% Spanish and 70% English. The greatest benefit of participating in the Dual Language Immersion program is achieved by students committed to the full TK – 12 DLI program.

Starting with the 2020-21 school year, Rondo Elementary will have a foreign language immersion program for native English speakers learning Mandarin. The program will implement the 50:50 model in which 50% of the instructional day consists of English instruction and 50% is in Mandarin. The program is a K-6 program.

Dual Language Immersion Program Highlights:

- Standards based curriculum
- Parent involvement and home/school collaboration
- Highly qualified teachers
- High student academic achievement

Parents **may** attend the DLI Showcase. Parents that are new to the program, **AND** parents that already have children in the program **MUST** attend one school site meeting **AND** one classroom visit at the desired school site (meeting and visit must be at the same site).
