

HARADA HAPPENINGS

**WEEKS OF
11/25-
12/06**

Harada Elementary School / 951.739.6820 / harada.cnusd.k12.ca.us

PTA SPONSORED EVENTS

Students will have the opportunity to shop for family members. Gift items are \$1-\$10.

We will have several different vendors with a variety of items for the kids to choose from.

This is a cash only event.

Shopping will be during class time only.

COINS FOR COLLEGE CAMPAIGN

Every year our K-Kids sponsor one of our biggest service events that focuses on giving back right in our own community. We collect coins that are then turned into college scholarships for former Harada Dragons that will be graduating from ERHS in June.

Our goal is to provide SIX \$500 scholarships to graduating seniors.

Please support this year's coin drive happening November 12 - December 6!

HARADA HAPPENINGS

ATTENDANCE MATTERS

School success starts
with attendance

How do I inform the office? Please call (951)739-6820 or email harada.attendance@cnusd.k12.ca.us or send your child to the office with a note. Please remember, 3 or more unexcused absences will result in truancies. These truancies will prompt Truancy Letters from the District Office.

EPIC KIDS SPANISH EXPLORERS

EPIC PRESENTS
Spanish Explorers
AT
Harada Elementary

Spanish Explorers is designed to allow students to explore Spanish in a fun and interactive way. The program promotes positive participation, interest in academics, and improvement in communications skills.

The program incorporates three types of learning styles: audio, visual, and kinesthetic. This is done through games and activities. Students in Spanish will learn to count, identify colors and objects, memorize days of the week, and verbalize vowels and consonants. Students will learn to read and practice basic salutations and phrases.

Spanish Explorers uses an interactive learning style to promote vocabulary memorization. Each class is filled with fun activities to encourage positive participation.

Wednesdays	Time	Grades
Dec. 4, 11, 18	1:55 - 2:55	K-6
Jan. 8, 15, 22

HARADA SCIENCE AND ENGINEERING FAIR

We are proud to announce that Harada Dragons, in grades 4-6, will have the opportunity to participate in the Harada Science & Engineering Fair. Participants will be able to research and do experimentation in a project of their choice.

Participating in a science and engineering fair gives students the opportunity to explore using higher level thinking skill and sparks their interest in STEM subjects. Click [HERE](#) for more info.
