OOOPS! MY CHILD FORGOT THEIR...

In an effort to preserve uninterrupted instructional time, we have several procedures that we follow to minimize classroom disruptions. The office will not call the classroom when forgotten items are delivered to the office. Every time a phone call is placed to the classroom, it disrupts the teacher, the students, and the overall learning in the classroom.

If a lunch is brought after the start of the school day, it will be placed on the lunch cart in the cafeteria to be picked up.

If backpacks, homework, books, projects, instruments, or any other miscellaneous items are brought after the start of the school day, they will be placed in the teacher's mailbox for them to pick up during their recess or lunch time.

Students will not be released during the last 20 minutes of the school day. The end of the school day is a hectic time that is full of important information for students. Teachers are wrapping up their lessons, making sure all student work has been turned in, returning graded work, and passing out homework, just to name a few. Interruptions during this time are extremely disruptive to the teachers and the students.

Phone calls to the teacher will not put through to the classroom during the instructional day.

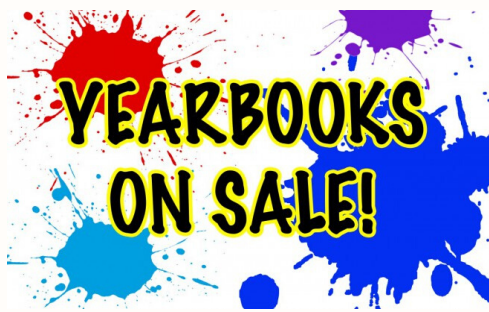

If you need to communicate with your child's teacher, email is a great option. Teachers will check their email periodically throughout the day. Please know that teachers may not respond during the instructional day as they are busy giving their classes their undivided attention.

ANOTHER FRIENDLY TRAFFIC REMINDER

Traffic is always a concern with safety being our number one priority. Overall the majority of you practice the RAILS in the traffic line, however some bad habits have developed on the streets around the school. The bad habits that are causing concerns are following:

- The only entrance to our parking lot and loading zone is on Merry Meadows and the exit is on Oakdale. You must wait in line along the curb on Merry Meadows to enter the parking lot. The police do not allow left turns into our school during high traffic times. People waiting to turn left block the flow of traffic.
- The lane next to the curb along Merry Meadows is a no stopping/no parking zone. It is posted that way so that it can serve as the line to get into the school parking lot. Do not park and wait for your students to meet you there. You must move forward with the line as it proceeds into the lot. You may load your students there, just do not stop and wait. This slows our line and causes unsafe conditions as cars have to enter traffic lanes to go around you.
- Do not drop or pick up kids in the middle of the street! We have had several near misses with students who were dropped in the middle of the street and then were almost hit by cars parked or in our line as they began to move.
- Do not make U-turns on streets around the school. This slows the flow of traffic and causes safety issues with the large amount of traffic and pedestrians near the school.
- Consider dropping off and meeting your older students at a certain location a few blocks from school. This is a great way to beat the lines and a little exercise is always good for your kids.
- Pull all the way forward in the loading areas so that we can maximize the amount of cars loading and unloading at one time.
- Please make sure that you and your children use designated crosswalks and crossing guards on the streets around the school.

FEB

17-21

MONDAY 17

- Presidents Day No School

TUESDAY 18

• *

WEDNESDAY 19

- 1:50-2:50 Epic Engineers After School

THURSDAY 20

- B/D Spring & 6th Promotion Pictures

FRIDAY 21

• *

NOTES

Follow us on Facebook and Instagram! Daily posts of upcoming events as well as a sneak peek into all of the learning and fun that occurs at our school every day!

FEB

24-28

MONDAY 24

• *

TUESDAY 25

• *

WEDNESDAY 26

- 1:50-2:50 Epic Engineeres After school

THURSDAY 27

- **B Track Awards**
- Kinder 8:30am
- 1st - 6th 9:15am

FRIDAY 28

- **C & D Track Awards**
- C/D Kinder 8:30am
- D Track 1st -6th 9:15
- C Track 1st - 6th 9:55
