CORONAVIRUS - COVID 19

We know that the 2019 Novel Coronavirus (COVID-19) has been a hot topic in our community and around the world, so we want to take a moment to share with you the precautions we are taking to ensure the safety of our students and staff here at Harada Elementary.

All of our teachers have been instructed to remind students about health and safety protocols and best practices for good health and hygiene. We also encourage our families to utilize common-sense precautions to prevent the spread of all infectious diseases:

- Wash your hands.
- Cover your mouth and nose when you cough or sneeze.
- If you don't have a tissue, sneeze or cough into your sleeve or arm.
- Keep students home if they are ill.

Do not send your child to school if he/she has a temperature of 100°F or higher. Students must be fever-free for 24 hours without having taken fever-reducing medication (i.e. Advil, Tylenol, Motrin, etc.)

Additionally, to answer the many questions about the potential closure of schools, the Corona-Norco Unified School District will rely on the Riverside University Health-Public Health Department to determine if and when any school closures are necessary.

If a case of COVID-19 is found in the Corona-Norco Unified School District, we will follow directions from public health officials which may include closing schools, cancelling activities, and sporting events. It is likely, at a minimum, that CNUSD would close any affected school for at least one day to be disinfected by a third party company that specializes in decontamination.

For more information on what the District is doing in preparation of any potential impact that COVID-19 may have on our community, please visit the District's website for the latest news and Frequently Asked Questions (FAQs) <https://bit.ly/2loAbX6>

CAMPUS SAFETY

Maintaining a safe campus for students and staff remains a priority for our school. As reminder, all visitors MUST sign in through our RAPTOR system in the front office and be issued a Visitor's Badge to be on campus during the open school hours of 7:30am - 4:00pm. Many parents are attempting to come on campus through open gates at arrival and dismissal and bypassing the office. You will be asked to return to the office to get your Visitor's Badge. Thank you for your cooperation.

LUNCH ON THE LAWN

It was so great to see our C and D-track families that were able to attend Lunch on the Lawn. Please click the link below to provide feedback on the event.
