Harada PTA will also be drawing a teacher/staff name daily for a prize. Mon-Thurs each winner will receive 2 tickets to Disneyland Friday's winner will receive a ring doorbell

6TH GRADE SPOTLIGHT

Attention 6th Grade Parents!

Even though our schools remain closed, we want to continue to honor and celebrate our 6th graders as we bring this school year to an end. We are looking to publicly celebrate our 6th grade class through our social media accounts on Facebook and Instagram. Please email Dr. Jenson (ejenson@cnusd.k12.ca.us) with a picture or picture collage and a dedication to your child. We will post the picture and message for our entire Dragon Family to see and celebrate your child and their elementary accomplishments.

2020-2021 CLASS LISTS

As the end of the year approaches, classroom teachers and administration will begin working together to creating classes for next school year. As a team we collaborate about all students in the feeding classes to discuss the best approaches to meet the needs of the students academically, behaviorally, socially, and emotionally. When creating class lists, the team considers the following criteria:

- An equal number of students in each class
- An equal gender balance
- The full range of aptitudes in each class
- An even proportion of abilities and learning styles across the class
- An even proportion of children with English language proficiency
- Classroom dynamics
- A balance of English speaking and Spanish speaking students for DLI classes

A great deal of thought and effort goes into making these class lists. Granting every request would undo the long process that has been carefully put together and jeopardize the integrity of that work. Due to the complexity of the process, we ask parents to refrain from making personal requests about class placement. I appreciate your understanding of the process.

ONLINE RE-ENROLLMENT

Did you know Online registration for the 2020-21 school year can be completed on a mobile device? Download the Q Parent Connection app and follow the steps in the video below. Stay connected with your child's education throughout the school year. The app will also allow you to check:
