DROP OFF AND PICK UP OF ITEMS

We know that as the end of the school year draws closer and closer, everyone is anxious to pick-up items that were left behind at the site. We will be coordinating a Drive-Thru Drop-Off/Pick-Up event for this purpose. Staff will be bagging student items from the classroom and we will be distributing these on various dates for each track.

Things to Drop Off: textbooks, borrowed band instruments, library books, teacher belongings, etc.

Things to Pick Up: personal items, yearbooks, Spring pictures, Promotion Certificates, etc.

**Be on the lookout for additional information and

2020-2021 SCHOOL YEAR: WHAT CAN WE EXPECT??

As public health data indicates that Riverside County can slowly begin to relax health restrictions and reopen safely, the community is more anxious than ever to know what the 2020-2021 school year will look like for our students. As the only district in the state of California with multi-track, year-round schools scheduled to start the school year on July 6, CNUSD is aware that decisions must come quickly so that our families can plan accordingly.

Our district will continue to make decisions based on the guidance and direction provided by the CDC, the Riverside County Public Health Department, and the Riverside County Office of Education. These decisions will be made with the health and safety of our students and staff at the forefront. While we do not have a definitive answer as of yet, please know that the district continues to work diligently to ensure that we will be able to provide our families with information as soon as possible. Your patience and understanding is greatly appreciated as we work to guarantee that we can continue to provide the high quality education you are accustomed to in the safest environment possible.

HARADA HAPPENINGS

A CHANGE IN ASSISTANT PRINCIPAL

Early in May, Dr. Jenson and Mrs. Weaver were notified by the Human Resources Department of CNUSD that there would be some changes in administrative staffing for the 2020-2021 school year. We are very sad to say good-bye to Mrs. Weaver and will definitely miss the expertise and fun-loving energy she brought to campus each and every day. We wish Mrs. Weaver the best as she moves onto her new school sites.

We are excited to be able to welcome Dr. Ivy Ewell-Eldridge as the new Assistant Principal. Dr. Eldridge has been an Assistant Principal serving both Rosa Parks and Ronald Reagan for the last year and a half. She is very familiar with the Eastvale community and brings a wealth of knowledge and experience with her. Please join us in welcoming Dr. Eldridge to the Harada family!

CONTACTING THE FRONT OFFICE

We are happy to announce that our front office will be taking phone calls starting Monday. If you need to speak to someone in the office you may call (951)739-6820 between 8am-2pm to get all of your questions answered. Please note, for the health and safety of our staff and the community, the office continues to remain closed for in-person communication.

MOVING OR CHANGING SCHOOLS?

With so much going on in the world right now, we realize that many of you may have moved, will be moving over the next couple of months, or might be changing schools. Please call our front office or email Miss Esther at eslopez@cnusd.k12.ca.us to let us know that your child will be un-enrolling from Harada for the 2020-2021 school year.
