Dear Harada Families,

As we continue the 2020-2021 school year in a Remote/Virtual Learning environment we would like to update you regarding attendance requirements for CNUUSD students.

State guidelines make daily attendance mandatory and define participation and attendance as the regular interaction in the academic process on the part of the student. We encourage you to ensure that your child(ren) is engaging and participating on a daily basis.

Attendance in school during Remote/Virtual Learning will be determined through the following process and may include:

- Evidence of participation in online activities
- Participation in online instruction
- Regular completion of assignments
- Contact between pupils or parent/guardian

Any pupil who does not participate daily shall be deemed absent and will be marked accordingly. We thank you for helping us do all that we can to ensure students receive the soundest education possible. Please contact a Harada administrator if you have any questions or concerns.

Take Care,

Your Harada Elementary Attendance Office
